

NEW ROOF AND TILE HANGING

We met with a few contractors and chose Moran Roofing Specialists due to their professionalism.

Roofing works were required as part an extension to our existing house and to the original roof slopes. The works also included replacing the outside tile hanging to the walls at high level.

The quoting process ran smoothly, and so did the roofing works. The whole job was completed on time and to a good standard.

Moran Roofing Specialists' communication was really good, and the end result was extremely satisfactory. When issues had arisen, they managed to sort them out in a timely and professional manner. We are very happy with the end result.
